

**CURRENT EMPLOYMENT:**

**Endobariatric Physician**

**True You Weight Loss, Atlanta, GA (Jul. 2022 – present)**

I use my training and expertise in endoscopy, gastroenterology, and internal medicine to treat patients with obesity and related comorbidities at the first and only dedicated endobariatric weight loss practice in the United States, *True You Weight Loss*. I perform state-of-the-art procedures in the minimally-invasive and growing field of endobariatric and metabolic therapies, such as the endoscopic sleeve gastroplasty and intragastric balloons, as well as endoscopic revisions of bariatric surgeries. Our practice additionally participates in the research and development of novel endobariatric and metabolic therapies.

Offered therapies include:

- Endoscopic sleeve gastroplasty (ESG)
- Intragastric balloon
- Endoscopic revision of vertical sleeve gastrectomy
- Transoral outlet reduction (TORe) of Roux-en-Y gastric bypass
- Prescription and management of anti-obesity medications

**EDUCATION & TRAINING:**

**Medical Board Certifications:**

- American Board of Obesity Medicine, Board Certification in Obesity Medicine (candidate, Nov. 2022)
- American Board of Internal Medicine, Board Certification in Gastroenterology, (awardee, Dec. 2021)
- American Board of Internal Medicine, Board Certification in Internal Medicine (awardee, Oct. 2018)

**Instructor of Medicine and Fellowship in Interventional Endoscopy**

**Vanderbilt University Medical Center, Nashville, TN (Jul. 2021 – Jun. 2022)**

One-year fellowship with training in endoscopic retrograde cholangiopancreatography (ERCP), endoscopic ultrasound (EUS), Barrett's esophagus therapies, endoluminal stenting, and endoscopic mucosal resection. Additional duties included the supervision and education of general gastroenterology fellows on endoscopic procedures and inpatient gastroenterology consultation service.

**Fellowship in Gastroenterology and Hepatology**

**Mayo Clinic, Rochester, MN (Jul. 2018 – Jun. 2021)**

Three-year clinical fellowship in general gastroenterology and hepatology, with research mentorship in endobariatric therapies and gastrointestinal motor functions. Recipient of the *Eugenie Mayer Bolz Endowed Teaching and Research Fellow Award in Gastroenterology* for excellence in patient care (Mar. 2021).

**Center for Clinical and Translational Science (C.C.a.T.S.) Postdoctoral Certificate Program**

**Mayo Clinic, Rochester, MN (Jul. 2019-Jul. 2020)**

One-year program for graduate-level trainees at Mayo Clinic to enhance their knowledge and skills in conducting clinical research. Completed coursework included: Statistics in Clinical and Translational Research; Introduction to Epidemiology; Fundamentals of Clinical Epidemiology; Clinical Research and Protocol Development; Responsible Conduct of Research; Applied Enteric Neurosciences in Health and Disease; Behavioral Determinants of Health; Ethical Issues in Population Health Science; and a full-day Grant Writing Workshop.

**Residency in Internal Medicine**

**Duke University Hospital, Durham, NC (Jul. 2015 – Jun. 2018)**

Three-year residency in internal medicine. Recipient of *Haskel Schiff Award* to the member of the graduating Duke House Staff, chosen by his or her colleagues, for excellence in the practice of clinical medicine (2018), as well as *Appleseed Award* for best resident educators of Duke University School of Medicine students (2017 and 2018).

**Doctor of Medicine**

**University of Massachusetts Medical School, Worcester, MA (Aug. 2011– May 2015)**

Four-year education at allopathic medical school. Elected to *Alpha Omega Alpha Honor Medical Society* and the *Gold Humanism Honor Society*, as well as recipient of the *Sarah L Stone Memorial Award for Excellence in Medical Education* (2015). Selected by class to be graduation speaker.

Daniel Barry Maselli, M.D.  
drmaselli@trueyouweightloss.com

#### **Bachelor of Arts**

##### **Princeton University, Princeton, NJ (Aug. 2007 – Jun. 2011)**

Areas of Concentration: Molecular Biology (major), Neuroscience (certificate/minor, with honors). Undergraduate thesis on post-translational modifications of protein p53 during adenovirus infection of human fibroblasts. Selected by class to be graduation speaker.

#### **Phillips Exeter Academy**

##### **Exeter, NH (Sep. 2003 – Jun. 2007)**

Four-year high school, graduated with Highest Honors, *cum Laude*. Recipient of the *Joseph Lamont Gavit Cup* for recognition of outstanding character as displayed in all phases of school life (2006) and the *Thomas Hilary Cornell Award* for the member of the graduating class, chosen by his or her peers, who best exemplifies the spirit of the Phillips Exeter Academy (2007).

#### **Study abroad: Al-Akhawayn University**

##### **Ifraane, Morocco (Jun. 2008 – Jul. 2008)**

Arabic and North African Studies Program, eight-week program for study of the Arabic language.

#### **AWARDS & HONORS:**

##### **Mayo Clinic Fellowship in Gastroenterology & Hepatology:**

- *Eugenie Mayer Bolz Endowed Teaching and Research Fellow in Gastroenterology* for excellence in patient care (recipient, March 2021)

##### **Duke University Hospital Internal Medicine program:**

- *Haskel Schiff Award* to the member of the graduating Duke House Staff, chosen by his or her colleagues, for excellence in the practice of clinical medicine (recipient, 2018)
- *Appleseed Award* for best resident educators of Duke University School of Medicine students (recipient, 2017 and 2018; nominee, 2016)

##### **University of Massachusetts Medical School**

- *Alpha Omega Alpha Honor Society (inductee, 2015)*
- *Gold Humanism Honor Society (inductee, 2015)*
- *Sarah L Stone Memorial Award for Excellence in Medical Education* (recipient, 2015)
- Selected by peers to deliver Student Address at University of Massachusetts Medical School Graduation (2015)

##### **Princeton University:**

- Selected by peers to deliver Student Address at Princeton University Class Day of Graduation Exercises (2011)

##### **Phillips Exeter Academy:**

- The *Thomas Hilary Cornell Award* for the member of the graduating class, chosen by his or her peers, who best exemplifies the spirit of the Phillips Exeter Academy (recipient, 2007)
- The *David M. Bitman class of 1978 Award* to the students who show excellence in a wide range of science subjects, second prize (recipient, 2007)
- The *John Parker Compton Scholarship* to Princeton University (recipient, 2007)
- The *David T. Swift Award* for the Year's Best Dormitory Proctors (recipient, 2007)
- The *Negley Prize* for Year's Best Essays in American History (recipient, 2006)
- The *Joseph Lamont Gavit Cup* to the member of the Upper Middle Class selected by members of the Class and the Principal in recognition of outstanding character as displayed in all phases of school life (recipient, 2006)

**SCIENTIFIC PUBLICATIONS & PRESENTATIONS:**
